**YOU ARE HEREBY COMMANDED to complete the installation of a tracking device, as requested in the supporting affidavit, within 10 calendar days of the date of this order, and thereafter may use, monitor, and maintain the tracking device for a period not to exceed 45 days from the date this warrant is issued, unless this court, for good cause shown, grants one or more extensions of this order. The device may be used to track the movement of the person or property described above both within and outside of this District. Pursuant to 18 U.S.C. § 3103a(b), this warrant prohibits the seizure of any tangible property, or any other prohibited wire or electronic information as stated in 18 U.S.C. § 3103a(b)(2).**

**YOU ARE FURTHER COMMANDED to remove the tracking device from the person or property to be tracked, if able to do so, on or before the last date of authorized use of the tracking device, and, within 10 calendar days after the use of the tracking device has ended, to return this warrant to the duty U.S. Magistrate Judge through a filing with the Clerk's Office. Because this Court finds reasonable cause exists to believe that providing immediate notification of this warrant may have an adverse result, service of the warrant is permitted to be delayed for a period of 30 days from the date that the use of the tracking device has ended, and must otherwise be as directed in Federal Rule of Criminal Procedure 41(f)(2)(C) and (f)(3) and in any court orders issued pursuant thereto.**
